

JCT CONTRACTS TRACKED CHANGE DOCUMENTS:

HELPING YOU MAKE THE TRANSITION TO JCT 2011

NEW ACT, NEW EDITION

The new edition of JCT Contracts, JCT 2011 will cover the new payment legislation and other updates brought about by the new Construction Act.

Currently, the Department for Business, Innovation & Skills (BIS) are working towards an implementation date of October this year for the new act. **JCT 2011** will publish in September, ahead of the implementation to allow you to make the transition.

THE CHANGES TRACKED FOR YOU

To help make the move to the new edition of JCT Contracts as smooth as possible, the JCT have produced the **JCT Contracts Tracked Change Documents** that show the tracked changes to the existing JCT 2005 contracts that will form the **JCT 2011** suite of contracts.

HOW TO GET THE TRACKED CHANGE DOCUMENT YOU NEED

The following **Tracked Change Documents** are available to order in hardcopy directly from Construction Industry Publications..

- Design and Build Contract 2011 **Tracked Change Document**
- Intermediate Building Contract 2011 **Tracked Change Document**
- Intermediate Building Contract with contractor's design 2011 **Tracked Change Document**
- Minor Works Building Contract 2011 **Tracked Change Document**
- Minor Works Building Contract with contractor's design 2011 **Tracked Change Document**
- Standard Building Contract with Quantities 2011 **Tracked Change Document**
- Standard Building Contract with Approximate Quantities 2011 **Tracked Change Document**
- Standard Building Contract without Quantities 2011 **Tracked Change Document**

All other contracts are available through Docdel by emailing: sweetandmaxwell.Docdel@thomson.com.

When you purchase a Tracked Change Document through Docdel, you will receive an unbound hardcopy print out of the PDF version.

Each **Tracked Change Document** is priced at £100 whether purchased in hardcopy or through for Docdel.
