### **25% discount off updated CIP Construction H&S Manual - CDM 2015**

Construction Industry Publications has published the latest update to the Construction Health and Safety Manual. This important update brings the Manual in line with CDM 2015, the new construction legislation that came in to force in April this year, and includes a revised section dedicated to providing subscribers with guidance on CDM 2015 along with several illustrative case studies, and updated references to CDM throughout the Manual. CIP are offering 25% discount off the price of the manual throughout July and August.

The Construction Health and Safety Manual provides accurate, current and comprehensive information on all health, safety and environmental issues throughout the construction process. The Manual is written by a panel of fourteen leading H&S professionals working hands-on in the construction industry, who give of their time and expertise voluntarily.

The update also includes:-

- A new section on Achieving Compliance - Permit Systems
- A refreshed and re-organised Training section.
- Legal - removal of the upper financial limits in fines and in addition to a fine and costs, there are additional charges that will now form part of any penalty issued by the court
- An updated Register of Legislation
- A change to the legal drug limits for driving.
- Information on USAG – Utility Strike Avoidance Group.
- Explosives - updated in line with the new Explosive Regulations 2014.
- Working on Railways - details the important Network Rail changes that contractors working on or near the railway need to be aware of “The Planning and Delivering Safe Work (P&DSW) Programme”

*"The Construction Health and Safety Manual has been written by Construction Industry Publications Ltd to help people working in the construction industry to make health and safety improvements in the construction industry. It is recognised that this guidance contains some advice that may go further than the minimum needed to comply with health and safety law." HSE 2014*

Copies of the Manual are available from [Construction Industry Publications](#) . The hardcopy and CD-Rom cost £260 each and the six-monthly updates £58.50 each. To claim the 25% discount please

use promotional code TRAIN15. The Manual is also available as an online service at [www.cip-bluebook.com](http://www.cip-bluebook.com) where annual subscriptions are available for single and multi-user licences.
